Make sure Seco Tools emails arrive in your inbox

To be sure our emails always make it to your inbox, please add us to your email Safe Senders List.

What is an email Safe Senders List?

A list of approved email addresses to help a spam filter determine if it should allow delivery.

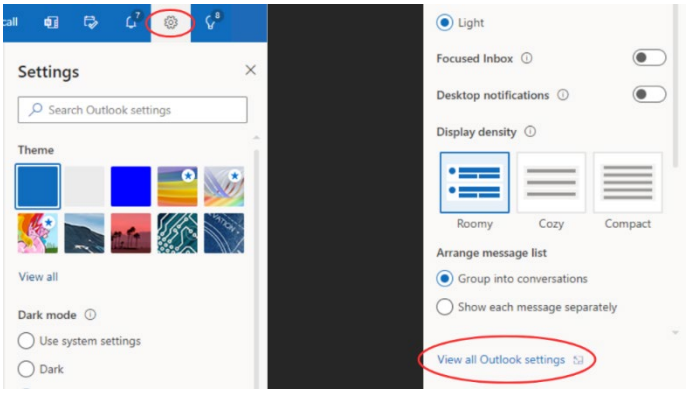

How to add an email to your Safe Senders List

If you want to make sure you receive emails from us, add marketing.us@secotools.com as a contact. Find your email provider below for instructions.

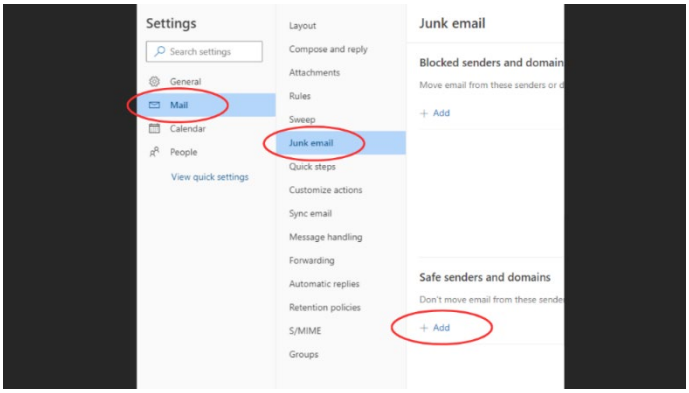

Outlook on the web

How to add an email to your Safe Senders List in Outlook on the web

1. Click the gear icon in Outlook and select "View all Outlook settings"

2. Select "Mail" from the settings menu, choose "Junk email" and click "Add" under "Safe senders and domains"

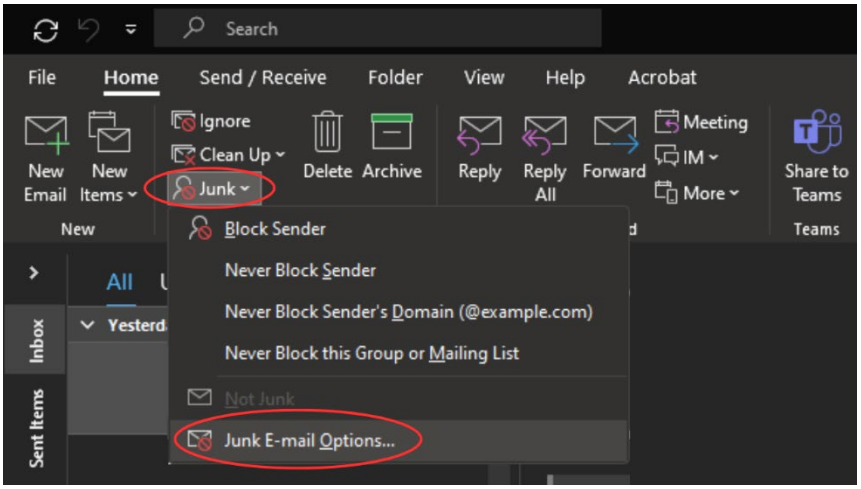

3. Enter “marketing.us@secotools.com” and choose "Save"

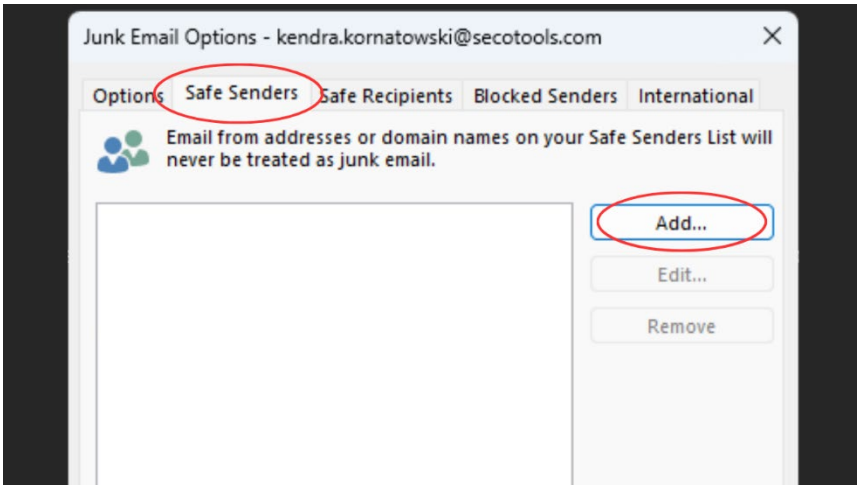

Outlook desktop app

How to add an email to your Safe Senders List in the Outlook desktop app

1. On the Home tab, click “Junk” and choose “Junk E-mail Options”

2. On the Safe Senders tab, click “Add”

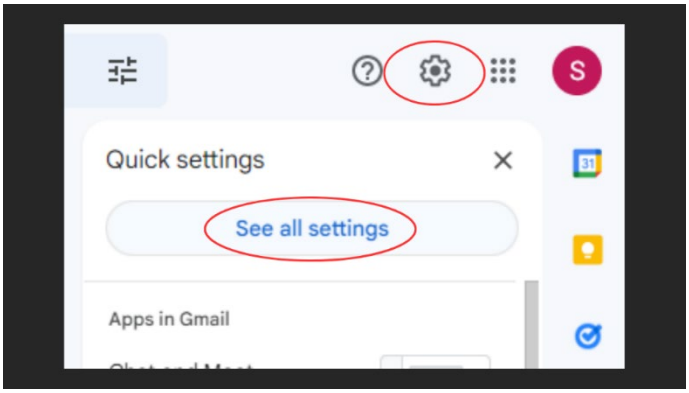

3. Enter “marketing.us@secotools.com,” click “OK,” and then click “Apply”

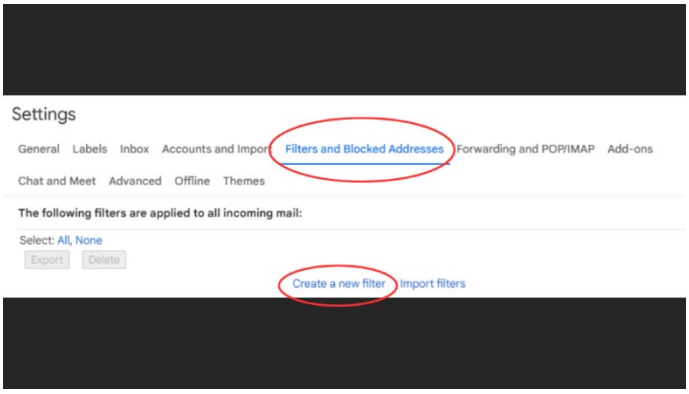

Gmail

How to add an email to your Safe Senders List in Gmail

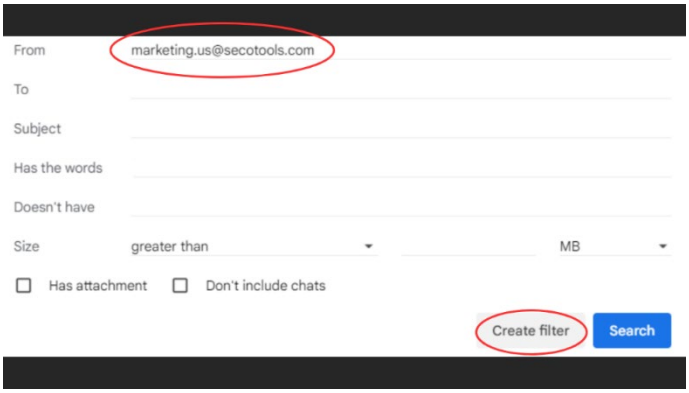

1. Click the gear icon in Gmail and select "See all settings" from the Quick Settings menu

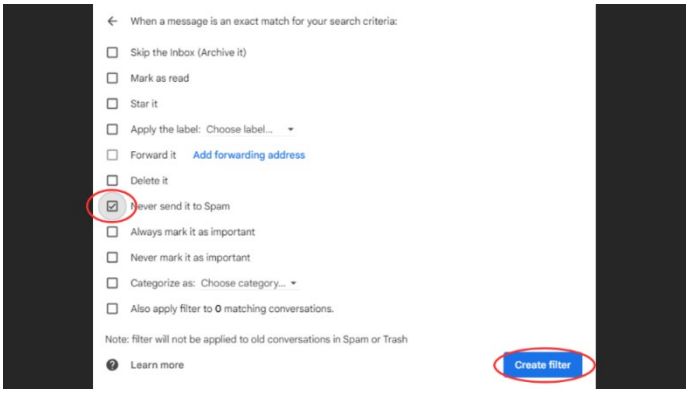

2. Navigate to "Filters and Blocked Addresses" in the top menu and select "Create a new filter"

3. Add a specific email in the "From" field and click "Create filter" (continued page 4)

4. Check "Never send it to Spam" in the checkbox and click "Create filter"

Use a different email provider?

Check out this article to see how to add an email to your Safe Sender List if you use Yahoo, AOL, etc.
